GEN. & REV. SEC. 12 NOV 1917

S i r,

On a representation of the Munsiff of Maddagiri that the process establishment of his court has to be strengthened by the addition of two second grade Amins and five second grade process servers to cope with the increased work, the District Judge of Bangalore has stated that the steady increase in the civil work of that court and the consequent increase in the number of processes to be served fully justify some increase of hands but considers that the addition of one second grade Amin and three second grade process servers to the existing establishment may be sufficient for the present.

I

I am directed to state that, taking into consideration the steady increase of work thrown on the present process establishment as seen from the two process statements annexed hereto, as also the long distances that have to be travelled by the process staff, the Chief Court accepts the recommendation of the District Judge, and to request that the Government may be pleased to accord sanction to the entertainment of an additional establishment consisting of one second grade Amin and three second grade process servers as shewn in the proposition statement enclosed.

The extra cost which may be involved by this proposal during the current official year may be met from the allotment of Rs. 2,000/- provided in the Budget towards temporary Process Establishments. Due provision will be made therefor in the next year's Budget.

I have the honour to be,

Sir,

Your most obedient servant,

REGISTRAR.
